

52nd AMERICAN WINE SOCIETY NATIONAL CONFERENCE

The oldest and largest organization of wine consumers in the United States, the AWS is a 50c3, educational non-profit.

Hosting a Session

Our conference features 47, sit-down classroom style sessions each 75-minutes, allowing time to tell your story and put your product in context for 80-120 people.

- Reach the nation's best wine consumers
- AV, glasses and set-up? Taken care of
- Stay for the walk-around tasting and reach ALL attendees
- Send your wines to our drop site via common carrier, or drive them in.
- No cost other than your time and wine
- Support the non-profit organization that supports your industry
